Math Workshop by Dr. Padbanaban

Start up maths orientation was organized to support all teachers in developing or creating an effective classroom

environment through grade-level active learning process and understanding the importance of math fluency. The 'who, what, when, where, and why' of the workshop were expertly addressed in a clear, easy-to-follow layout by Dr.

Padbanaban. The teachers were excited to participate in the number games, learn short interactive stories, and make mathematical models which would help them establish constructive sessions in their respective classrooms.

Telangana Formation Day Celebrations 2018

The school celebrated the Telangana State Formation Day grandly. Students of various classes took part in dances, a role play and sang beautiful local folk songs to mark the occasion. It is true that the students had a short span of time to plan, create and practise the various elements of today's programme, but they put up an extremely impressive show.

They were lauded for their efforts by our Principal. Mrs. T. Tanuja who gave them inspiration to perform better and at a consistent pace towards progress and prosperity. Jai Hind!!! Jai Telangana!!!

Visit to the Parade Grounds

The students of our school were a witness to the grand celebration of the Telangana state's formation day at the Parade Grounds yesterday. The colourful contingents with perfect formations were splendid sight to watch. The

a

children were very excited to see the Chief Minister at close quarters. They were listening intently when he was elaborating on the revolutionary schemes and developmental activities his govt. has taken up. They were all cheers when the

CM honoured the best contingents with awards. The pleasant weather added to the celebration.

World Environment Day

A special assembly was conducted to initiate awareness against the pressing environmental concern, i.e. Plastic. Besides regular features, the highlights of the event were, a skit on the theme,

A Hindi play, a dance, mime show, poetry recitation and presenting surprise gifts to the eco-friendly teachers and students. The department of science contributed medicinal plants to the herb garden of the

school. A rally was held and the shop keepers were given paper bags as a part of the campaign against using plastic bags. Other than that, elocution, slogan writing and essay writing competitions were also held...A pledge was taken by all to work collectively towards avoiding the usage of plastic.

Visit to CSIR-NEERI Hyderabad Zonal Center

The participants and the prize winners in the Competitions held in our school premises by eminent scientists from the Council of Scientific and Industrial Research-National Environmental

Engineering and Research Institute (CSIR NEERI) Hyderabad Zonal Center were invited to attend a lecture on Misconceptions prevalent versus the Real Scientific Facts about Plastics by Dr. A.V.R.Krishna, Director, Central Institute of Plastics Engineering and Technology (CIPET) Hyderabad at their ICT campus office, on the occasion of World Environment Day. The winners were encouraged with a prize and a certificate of achievement. The students and staff of Pallavi Model School extend our sincere thanks to Dr. Shaik Basha and the team of Scientists for motivating our students and making them aware of the latest campaigns and strategies being employed at a global level to "Beat Plastic Pollution" (the theme for this year World Environment Day Celebrations).

The Founder's day Celebrations 2018-19

A special assembly was conducted to mark the Founder's Day. The main features, apart from the regular school assembly included a skit in Hindi, a dance and speeches by the students, a song, a Telugu sloka, and the Principal's address. The vision and the initiative of the founder Mr. Komaraiah was extolled.

Orientation / Workshops

Nishumbita Ballet and theatre club

An orientation programme was conducted by Mr. Ram from Nishumbita Ballet and theatre group, where students were introduced to theatre acts which included the emotion of anger, laughter, happiness and few activities were also conducted to emote the children's expressions.

International Yoga Day and World Music day at PMS Boduppall, Yoga Day 2018 at DPS Nadergul

To mark the fourth anniversary of International Yoga Day, about 4600 students participated and performed yoga asanas at DPS, Nadergul. It was a culmination of the various branches of DPS and those of

Pallavi Model schools.

Students as well as teachers performed various asanas on the instructions of the Yoga masters. The students were told to embrace yoga for the physical, mental and spiritual health and also to de-stress

themselves. All the dignitaries including the Chairman Mr. Komaraiah garu addressed the students and reiterated the benefits of yoga. Also, International Yoga Day and World Music Day was celebrated in the school premises for the classes Nursery - IV.

Prefect Council Elections 2018-19

The Prefect Council elections (2018-19): Election to choose school representatives was held in the school premises. The students of classes V-X exercised their vote and made their choice for the prefect council and the House captains of the four houses named Godavari, Ganga, Krishna and Cauvery.

3D Printing in Education

The students of classes 6 to 9 were given an insight on how 3D printing is being

incorporated in Education by 3D Exter. The students were very excited to touch and feel the objects printed using a 3D printer made of biodegradable materials.

Winners of the Bulletin board – June

Congratulations!!! The teams Godavari and Krishna won the

first and second positions respectively in the Bulletin board decoration for the theme named Reduce, Reuse & Recycle in the month of June 2018.

Ramzan Celebrations

The school connects itself to the tenets of every religion and believes in promoting universal love. A special assembly was conducted to celebrate Ramzan in the school

premises. It was a beautifully executed programme which included Eid Mubarak - a chorus song - a speech about the significance of Ramadan - Ishk Sufiyana - a sufi dance - a Qawwali and kalbali ye kaisi bhala - a group dance. Kudos to the school dance masters for their perfect choreography.

Delicious Sheer Khurma was made and served. The teachers were all in green attires to go with the occasion.

Orientation session for the IIT aspirants

Mr. Goutham, an eminent faculty member who made remarkable contributions to the field of education and IIT trainer from Altitude Academy conducted a workshop for the students of 8,9,10. It

was an inspiring and elevating session where the importance of being focused and incorporating logical reasoning to enhance thinking abilities was discussed in detail. Children were motivated to be more practical in calculating in the mind rather than using pen and paper for an alert and sharp mind. They were also advised to assimilate calculations and reasoning in their free time games. Useful tips to calculate the squares for any number were also given. It was indeed a promising and reassuring session. The children thoroughly enjoyed it.

Upcoming Events

1. Essay Competition - classes 3-10
2. Clay Modelling - classes 1-2
3. NIIT Quiz - classes 3-5
